

West Suffolk Landlord Retrofit Hub

Are you a landlord with properties that have an EPC rating of D or below?

The Landlord Retrofit Hub aims to support private landlords in improving their rental properties in line with the new minimum energy efficiency standard coming into place in 2030. The new standard will require rental properties to have an energy performance certificate (EPC) rating of C or above, unless exempted. **This a free service.**

The Hub supports landlords by:

- Helping to complete grant applications
- Free energy advice home visit
- Holding events for landlords and tenants
- Communicating with organisations to help your applications

To access this free service landlords must:

- Be located in the East Anglia region
- Have rental properties located in the West Suffolk area
- The EPC of your rental property must be D or below

Schemes available to landlords in West Suffolk:

- Keep the Heat
- Group Buying for Solar
- Warm Homes: Local Grant
- Boiler Upgrade Scheme

To gain support, please complete the sign-up survey by scanning the QR code.
